CSAH 30 (Forest Boulevard) Improvements North Branch to Harris

Chisago County Public Works
313. N. Main Street Room 400
Center City, MN 55012

Beginning the week of July 12th, Shafer Contracting, the contractor for the County Road 30 (Forest Boulevard) project, will begin concrete paving operations. This will represent a significant change in the current traffic patterns. Concrete paving will begin in North Branch and move north towards Harris. During paving, traffic will not be able to pass the machine. See the reverse side of this postcard for more details on how to access your property or business.

Chisago County Public Works will be updating their website daily by 9 p.m. with details on where the paving operation finished and where it will happen the next day. Motorists of the corridor are encouraged to check the website to plan their route:

<https://www.chisagocounty.us/867/Road-Construction>

Thank you in advance for your patience and cooperation.
