

Bridge Road Culvert Replacement Project

August 15, 2018

Have a Question?

If you have questions that are not answered here, we invite you to reach out to us using the contact information provided below.

Bridge Road Closure

The bridge (culvert) over the Sunrise River along Bridge Road is being removed and replaced. During construction of the new culvert, Bridge Road will be closed to all traffic. It is anticipated the road closure will be in place for approximately ten (10) weeks. The Contractor expects work will begin the week of September 4th.

Detour Route

Prior to the closure of Bridge Road, a detour will be posted. To ensure the safety of everyone, we ask that all residents pay attention to and follow the posted detour signs.

The official detour for this work is shown on the map below. Residents are encouraged to use Lincoln Trail (CR 14), Grand Avenue, and St. Croix Trail (TH 95) to get around this closure.
