RE: Falcon Apartments Residential Development Project

April 8, 2021

Dear City of North Branch Property Owner,

The City of North Branch recently approved a residential apartment development in which two apartment buildings and amenities, 385th Street (a new road), and improvements on Falcon Avenue and a trail will all be constructed. The contractor is expected to start construction after April 13, 2021.

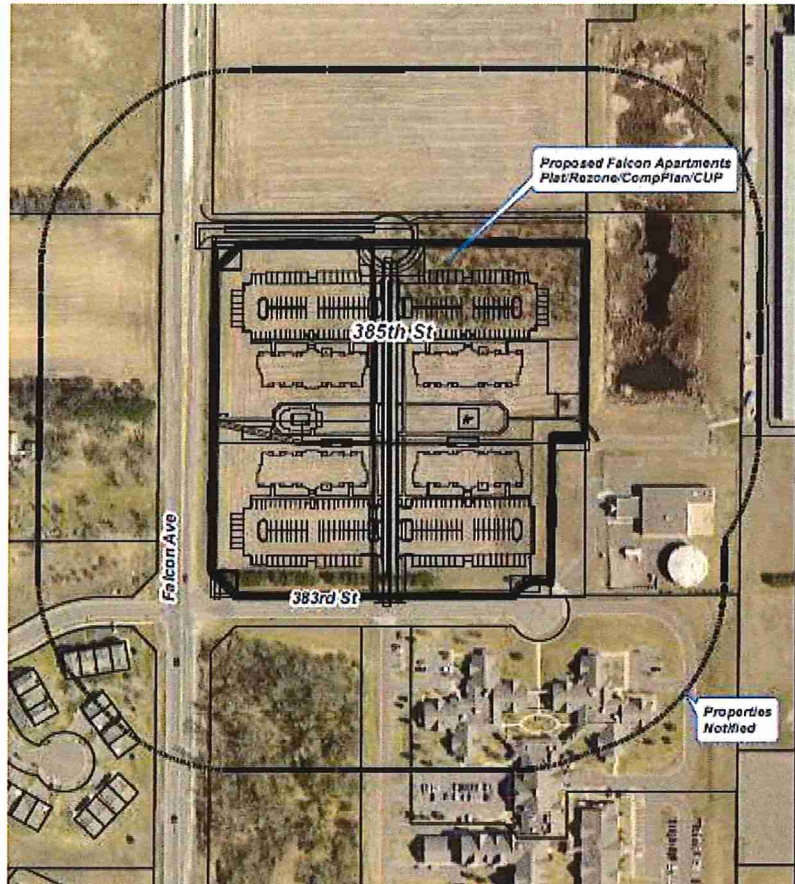

The safety of you, your family and people visiting your home, and business is very important to all of us. Please stay away from the construction zone.

We thank you in advance for your understanding and patience during the construction process. You are welcome to call or e-mail with any concerns or questions.

Sincerely,

Shawn Williams
